

Doctoral School, II semester 2027

LABORATORY METHODS IN RESEARCH II

Date	time	classes	group	lector	place
26.10.2026 Monday	16:00-18:00	seminar: "Application of flow cytometry in scientific research"	Gr. 1	mgr Karolina Soroczyńska	online MS Teams
	18:00-20:00	seminar: "Application of flow cytometry in scientific research"	Gr. 2		
28.10.2026 Wednesday	16:00-18:00	seminar: "Application of flow cytometry in scientific research"	Gr. 3	mgr Karolina Soroczyńska	online MS Teams
06.11.2026 Friday	16:00-18:00	practical class: flow cytometry	Gr. 1-3	dr hab. Małgorzata Czystowska-Kuźmicz, mgr Karolina Soroczyńska, dr Barbara Żyżyńska-Granica	Chair and Department of Biochemistry
	18:15-20:15	practical class: flow cytometry	Gr. 4-6		
26.11.2026 Thursday	16:00-18:00	seminar: "The application of genetic engineering in scientific research"	Gr. 1	Miłosz Majka	online MS Teams
	18:00-20:00	seminar: "The application of genetic engineering in scientific research"	Gr. 2		
27.11.2026 Friday	16:00-18:00	seminar: "The application of genetic engineering in scientific research"	Gr. 3	Miłosz Majka	online MS Teams
10.12.2026 Thursday	16:00-18:00	seminar: "EVs-powerfull little messengers as a new paradigm in cell biology and medicine"	Gr. 1	dr hab. Małgorzata Czystowska-Kuźmicz	online MS Teams
	18:00-20:00	seminar: "EVs-powerfull little messengers as a new paradigm in cell biology and medicine"	Gr. 2		
11.12.2026 Friday	16:00-18:00	seminar: "EVs-powerfull little messengers as a new paradigm in cell biology and medicine"	Gr. 3	dr hab. Małgorzata Czystowska-Kuźmicz	online MS Teams
08.01.2027 Friday	16:00-18:00	practical class: EV isolation and analysis	Gr. 1-3	dr hab. Małgorzata Czystowska-Kuźmicz, mgr Karolina Soroczyńska, dr Barbara Żyżyńska-Granica	Chair and Department of Biochemistry
	18:15-20:15	practical class: EV isolation and analysis	Gr. 4-6		
14.01.2027 Thursday	16:00-18:00	seminar: "The application of modern chromatographic techniques in scientific research"	Gr. 1	prof. Sebastian Granica	online MS Teams
	18:00-20:00	seminar: "The application of modern chromatographic techniques in scientific research"	Gr. 2		
15.01.2026 Friday	16:00-18:00	seminar: "The application of modern chromatographic techniques in scientific research"	Gr. 3	prof. Sebastian Granica	online MS Teams
