LABORATORY METHODS IN RESEARCH II					
Date	time	classes	group	lector	place
20.11.2025 Thursday	16:00-18:00	seminar: "The application of genetic engineering in scientific research"	Gr. 1	Miłosz Majka	online MS Teams
21.11.2025 Friday	16:00-18:00	seminar: "The application of genetic engineering in scientific research"	Gr. 2	Miłosz Majka	online MS Teams
	18:00-20:00	seminar: "The application of genetic engineering in scientific research"	Gr. 3	Miłosz Majka	
27.11.2025 Thursday	16:00-18:00	seminar: "EVs-powerfull little messengers as a new paradigm in cell biology and medicine"	Gr. 1	dr hab. Małgorzata Czystowska-Kuźmicz	online MS Teams
28.11.2025 Friday	16:00-18:00	seminar: "EVs-powerfull little messengers as a new paradigm in cell biology and medicine"	Gr. 2	dr hab. Małgorzata Czystowska-Kuźmicz	online MS Teams
	18:00-20:00	seminar: "EVs-powerfull little messengers as a new paradigm in cell biology and medicine"	Gr. 3	dr hab.. Małgorzata Czystowska-Kuźmicz	
05.12.2025 Friday	16:00-18:00	practical class: EV isolation and analysis	Gr. 1-3	dr hab. Małgorzata Czystowska-Kuźmicz, mgr Karolina Soroczyńska, dr Barbara Życinska-Granica	Chair and Department of Biochemistry
	18:15-20:15	practical class: EV isolation and analysis	Gr. 4-6		
11.12.2025 Thursday	16:00-18:00	seminar: "Application of flow cytometry in scientific research"	Gr. 1	mgr Karolina Soroczyńska	online MS Teams
12.12.2025 Friday	16:00-18:00	seminar: "Application of flow cytometry in scientific research"	Gr. 2	mgr Karolina Soroczyńska	online MS Teams
	18:00-20:00	seminar: "Application of flow cytometry in scientific research"	Gr. 3		
19.12.2025 Friday	16:00-18:00	practical class: flow cytometry	Gr. 1 -3	dr hab. Małgorzata Czystowska-Kuźmicz, mgr Karolina Soroczyńska, dr Barbara Życinska-Granica	Chair and Department of Biochemistry
	18:15-20:15	practical class: flow cytometry	Gr. 4-6		
08.01.2026 Thursday	16:00-18:00	seminar: "The application of modern chromatographic techniques in scientific research"	Gr. 1	prof. Sebastian Granica	online MS Teams
09.01.2026 Friday	16:00-18:00	seminar: "The application of modern chromatographic techniques in scientific research"	Gr. 2	prof. Sebastian Granica	online MS Teams
	18:00-20:00	seminar: "The application of modern chromatographic techniques in scientific research"	Gr. 3
